The plaintiff avers that the court erred in sustaining the motion of the defendant and in sustaining the motions of the Transue-Williams Relief Association. Attorney William R. Roach represents the plaintiff.

The plaintiff further avers that she and the defendant are owners of about \$240 worth of property in the Crystal Park addition to Canton and also joint owners in the saloon and restaurant operated by her husband at 1921 Carnahan avenue. TWO LEAGUES

To Be Organized by the Y. M. C. A. for Basketball—Paul Gilmore's Team to Play Nov. 6.
At a special meeting held last evening at the Y. M. C. A. arrangements for basketball were made and if present plans do not miscarry the coming season will eclipse any one of the previous years.
A basketball committee composed of Prof. H. H. Hallett, chairman, and members R. McGowan and Gary Smith, of the High School, and Ralph Fancett, Henry Fromm, R. Bidwell and Earl L. Smith met and decided to form two basketball leagues, a major and a minor league. The committee decided to divide the seven basketball teams of the Y. M. C. A. who have registered and are anxious to take part in the popular indoor sport into ten teams, five to compose the major league while the other five will make up the minor league. Arrangements have been made to play four games a week, two to be played each night. While no definite nights have so far been set it is altogether probable that the games will be played on Wednesday and Saturday nights.
The novel feature of this year's basketball is that two substantial loving cups will be given to the winner in the major and minor leagues. This is the first season that the Young Men's Christian Association has ever given out anything in the way of loving cups and it is safe to say that no lack of interest will be found among the players in either league from the start off until the final. On account of many star basketball players having so far failed to register, due to negligence, they will be given chance to register at a time from now on until 7:15 o'clock Wednesday evening, November 4. The personnel of each team in the league has not yet been made up but will probably be completed by the middle of next week. The captain of each team will also be chosen in the near future.
Physical Director Kirke Earl Wallace announced last evening that Paul Gilmore's basketball team of the Paul Gilmore's Theatrical company, which plays at the Grand Opera House Friday evening, November 6, in his new season, "The Boys of Company B," will play the Y. M. C. A. building next Friday afternoon. The game will commence promptly 8 o'clock. Paul Gilmore is well known in this city among the theatre patrons and also the lovers of football and basketball, he being the famous Yale star who made himself famous by his prowess on the gridiron as well as on the football field. He has a great team and the local team will commence to get in shape immediately for the great battle on the Y. M. C. A. basketball court. Last season Gilmore's team won the greater part of their games and it is within their power to down the local team.

DOMESTIC CONFESSIONS

TO TAKING DIAMONDS
Chief Detective Joe Ryan succeeded Thursday morning in unearthing the thief who stole the diamond rings and other jewelry at the home of Mr. and Mrs. Jacob I. Piper, on Chance avenue, and by 10 o'clock in the morning he had laid Miss May Hite, East Lake street, at the Piper home. When Mr. Ryan went to the place he was confident that the girl knew all about the robbery and he placed her in the "sweat box." She maintained her innocence for a long time, but when Ryan ordered her to get the gems from their hiding place and assisted her from the chair upon which she sat she confessed and said that the rings were hidden in the cellar of the home. This same girl had worked in the home of Mr. and Mrs. C. C. Stein, East Lake street and Belden avenue, and during here time there a gold watch belonging to Mrs. Stein was taken. Since that time the watch was returned to the Stein home, suspicion pointing strongly toward the domestic. Coupling this with the theft at the Piper home Detective Ryan was determined to land the missing articles and he pressed the girl so strong that she finally admitted that the rings were in the cellar. Miss Hite is a good looking girl, well dressed and it was hard to make those at the Piper place believe that she had committed the theft. She is now in a cell at the city prison, awaiting action of the authorities. She says that her home is in Cumberland, Md.

HUCKSTER CHARGED WITH USING SHORT MEASURE

A number of people living on Center street and vicinity were at the city hall Thursday night to make a complaint against a Jewish huckster living on Charles street, who has been selling potatoes to them and giving them short measure. One old lady, who had laid in her winter supply of tubers from his wagon, said that she had purchased ten bushels, but when they were re-measured in the cellar after they had departed she found only eight bushels. "These people show in their works and life that they have lived before," she declares. "Edison, I firmly believe, had his wondrous knowledge when he came on earth in his present body."

Living Reincarnation.

Akron, O., Oct. 29.—"Those who have not been blessed with a full earth development, and those who die in youth, deserve a chance with the rest of their fellows. I believe they will have a reincarnation in which to finish their work. I am sure I am living in a reincarnation."
So says Mrs. Emma Exceil-Lynn, who has established a "Christ College" in the hills north of Akron. She calls her retreat, "The New Palestine." From her college, Mrs. Exceil-Lynn teaches, largely by correspondence, her theories of physical, mental and spiritual culture. "Many people show in their works and life that they have lived before," she declares. "Edison, I firmly believe, had his wondrous knowledge when he came on earth in his present body."

Scrubbing Won't Do.

Pittsburg, Oct. 29.—State Federation of Women's club this afternoon decided it was all right to darn and mend for the family but too much scrubbing won't do. It was resolved to establish a fund of \$15,000 for scholarship at state college for "domestic service."
